Northern Athletics Trials

Last Tuesday, 2nd September, seven students from St Joseph's proudly represented our school at the Northern Region Athletics Trials at the Red Track. Competing against some of the best athletes from schools across the region, each of our students gave their very best effort and demonstrated outstanding sportsmanship throughout the day.

A special congratulations to Franco, who has qualified for the State Trials and will represent the Northern Region in both the 800m and 1500m events. We wish him every success as he competes at the next level.
